THE COAL SITUATION

SOME DEALERS HAVE LITTLE, AND OTHERS A FAIR SUPPLY.

FILLING SMALL ORDERS

Cannot Forecast Conditions With Any Accuracy — Advise Consumer to Buy What He Can Now.

In view of the anticipated strike of coal miners all over this section of the country, local dealers have been besieged with inquiries concerning the coal situation locally. There seems to be two sides to it—with one dealer declaring the situation "looks pretty blue," and another giving the information that he has plenty of coal and has had little difficulty in getting nearly all he can handle.

The fact of the matter is that the man who has neglected to fill his coal bins is at a disadvantage. One dealer said this morning that the large amount of coal sold this summer by an outsider forced the local dealers to cancel orders placed ahead, and now that the supply was not enough buyers wanted the dealers to help them out.

One dealer said that he had plenty of coal on hand, but was not filling any large orders, preferring to furnish his customers just what they needed at present. Orders on their books are being filled at the rate of a ton or two as necessity requires, and this condition will continue until the miners get back to work again and conditions become normal — if they ever do.

Mayor A. S. Robey, who has sold a large quantity of coal during the past summer and fall said he had had as many as twenty-five inquiries for coal this morning including an inquiry from Stanberry. He said he was unable to get any and did not know when shipments that had been ordered would be made.

Representatives of operators and miners in conference at Kansas City are trying to settle their differences today, having agreed to a postponement of the strike called for this morning.

Chicago Has Little Coal.

Special to The Democrat-Forum.

Chicago, Oct. 19.—Every coal yard in Chicago will be practically stripped of fuel by tonight, the coal dealers estimated today. Unless the strike should be ended, widespread suffering will result. Prospects for a settlement appeared brighter today, however, with the arrival at Indianapolis of the president of the United Mine Workers of America, White.

Miss Varner Here.

Miss Frances Smith will come tonight from St. Joseph to visit her parents, Mr. and Mrs. C. Q. Smith, a few days, before leaving for San Antonio, Texas, where she has accepted a position as teacher of English in the high school there. She will be accompanied by Miss Calla Varner of St. Joseph, formerly principal at the high school here.

Oklahoma Visitors.

Mrs. W. Ben Turner and sons, William and Edwin, of Sayre, Okla., arrived this noon to spend several weeks with her mother, Mrs. W. A. Bonewitz, and Mr. Turner's mother, Mrs. G. W. Turner. Mr. Turner will arrive later.

Miss Barrett Resigns.

Miss Alta Barrett, who has been clerking in the Barrett Mercantile Co's. store for some years past, has resigned her position and quit work Saturday evening.

After a few weeks vacation she will begin the study of music in the Maryville Conservatory.—Skidmore News.

CERTIFY SEVEN FOR SERVICE

District Board Reports On Names Sent By the Local Board — Others Yet To Come.

Fred J. Yeomans, secretary of the local draft board received this morning from the district board at Kansas City an order certifying the names of seven Nodaway county boys for service. The names returned are:

Louis Andrew Neidel, Maryville.
George W. Arnold, Parnell.
William Franklin Short, Burlington Junction.
Coral Ellis Black, Burlington Junction.
Soren E. Jensen, Maryville.
Aloysius Gross, Maryville.
Robert B. Gex, Jr., Graham.

These men were accepted by the local board and their names included in the list sent to the district board. There remains yet with the district board about fifty names to be reported on.

The first advice received from President Wilson by the district draft board concerning industrial and agricultural appeals came yesterday says this morning's Kansas City Times. It referred to cases in which exemption had been denied by the board, the President sustaining the board in all instances.

The list included the names of James Harvey Hughes, Harry Chris Klaas, Parnell, and John Joseph Zirfas, Conception.

INDOOR CONCERT SUNDAY

First Program of Winter Series By the Band Includes Several Interesting and Feature Numbers.

The first of the indoor concerts by the Maryville Band will be given Sunday afternoon at the Empire Theatre, beginning at 3 o'clock. Subscribers to the band fund who have not yet secured tickets can get them from Secretary E. M. Claypool, of the Commercial Club. An added feature of the program Sunday afternoon will be a vocal solo by Miss Bess Scott with piano and violin accompaniment by Miss Ola Smith and Mrs. Schnaubel. Also a violin solo by Wayne A. Blaaha.

The program follows:

March — "The Rifle Rangers," (King).

"The First Heart Throbs," (Eilenberg, Op. 50).

Fox Trot —"Huckleberry Finn," (Schulz).

Vocal Solo—"Where Shadows Fall," (E. Clinton Keithley), by Miss Bess Scott; Miss Ola Smith, pianist and Mrs. Schnaubel, violin obligato.

Overture—"The Belle of the Village," (Beyer).

"That's It Rag," a trombone meow (Fuhrer).

Intermezzo—"Amerinda," an Occidental Incident, (Smith).

Violin Solo—"Mazurka de Concert," (C. Musin), by Wayne A. Blaaha.

March—"For Your Country and My Country." (Schulz).

WILL NOT FIX HOG PRICES

Statement That Government Had Set $100 As Figure Denied As Untrue by Herbert Hoover.

Special to The Democrat-Forum.

Columbia, Mo., Oct. 19.—Dean F. B. Mumford of the University of Missouri College of Agriculture, as Federal Food Administrator for Missouri has received the following telegram from Herbert Hoover, Federal Food Administrator: "Statement has appeared in Chicago papers that we have intention of reducing hog prices to ten dollars, Chicago. Advise that statement is absolutely untrue. It does not represent opinion or proposed action of Food Administration, which will take no steps that will jeopardize livestock producers' interest. All our endeavors will be used to keep prices, at which all allied and governmental purchases are made, that give assured return of cost and profit to producers of meat animals."

Dean Mumford who has recently returned from Washington stated definitely today that it was not the policy of the Food Administration to fix prices of cattle and hogs that would result in loss to food producers. "The food administration recognizes that the chief reason for fixing prices on farm produce is to stimulate increased production; and any price fixed, therefore, must be high enough to accomplish the result," said Dean Mumford.

"There is a known shortage of pork and farmers are urged to increase their breeding herds of swine and otherwise adapt their farm plans to bring about greatly increased production of hogs."

Miss Grace Langan went to Jefferson City Wednesday to attend a state meeting of the Library association.

A BUSY CONVENTION

ALL THE CHURCHES IN CITY TO BE USED FOR SESSIONS.

EXHIBITS TO BE FEATURE

Committee in Charge Say That Nothing Like it Has Been Undertaken in Any State.

Because of the size and magnitude of the state convention of the Missouri Sunday School association to be held in Maryville November 20-22, all the Protestant churches in the city will be used for the sessions, and during the three days there will be something going on morning, afternoon and evening at each church.

The state committee, after having visited the city have designated the Baptist church as general headquarters where delegates will first go on reaching the city to be registered, and to receive assignment of rooms. Association sessions will be held at the Christian church, as will also the sessions of the elementary department; the secondary department sessions will be held at the Baptist church, the adult department meetings at the First Methodist church, the county and township sessions and college conferences at the Presbyterian church.

A feature of the convention will be the exhibits from the various departments with counties, townships, schools, departments and classes being represented. Members of the state committee say that nothing like it has ever been undertaken in any state.

ALL-DAY FAIR AT GLENDALE

Rural School Harvest Festival Will Begin at 10:30 O'clock—Addresses Will Be Made.

The annual harvest festival at Glendale school, ten miles north of Maryville tomorrow will be one of the interesting events in rural school life in Nodaway county. Besides the large display of corn, grains, garden produce, vegetables and articles in domestic science classes by the pupils of the school and patrons of the district, there will be addresses by Supt. J. M. McDonald, Prof. C. H. Belting, Rev. R. C. Holliday, Maryville; and Rev. E. H. Hutchison, Pickering.

The contests are open to the district and displays from surrounding districts may be entered for exhibition. Cash prizes and ribbons will be awarded.

The festival will open at 10:30 o'clock and dinner will be served at noon.

Glendale school was the first rural school in the county to give a public demonstration of vitalized agriculture, the new plan of studying agriculture that has met with success and approval. To W. H. Burr, teacher and community worker, is due much credit for the showing that is being made in the Glendale district.

FARMERS HELP EACH OTHER

Labor Shortage During Corn Harvest Season Will Be Partly Solved By Community Clubs.

Farmers in this section are facing a shortage of help with the corn gathering season at hand. Besides a large number of young men who are now in the various branches of the army, most of them having been taken from the rural districts, and with the transients being fewer than for years on account of high wages in other lines, the farmers are looking about for some means to solve the problem. Some are offering as much as ten cents per bushel to corn huskers.

In some sections community work will go a long ways towards affording relief, as neighbors will get together in numbers and help each other. The plan has already been broached at several community club meetings the past week and has met with much favor.

Another Loan To France.

Special to The Democrat-Forum.

Washington, Oct. 19.—The treasury department today announced a new loan of $20,000,000 to France, bringing to total of loans advanced to the Allies to $2,731,400,000.

Mr. and Mrs. N. H. Zimmerman and son, Edward, of Rockford, Ohio, are the guests this week of Mr. Zimmerman's parents, Mr. and Mrs. Edward Zimmerman and family.

JUDGE DAWSON TO BETHANY

Circuit Court Adjourns Until Next Tuesday — Defendant Won in Masters Deed Case.

Circuit court adjourned today until next Tuesday as Judge Dawson has been called in as special judge to hold court at Bethany. Judge Dawson left for Bethany this afternoon. Motions will be disposed of by the court Tuesday.

In the case of Elizabeth Judy against Georgia Masters to set aside a deed which was submitted to the court yesterday afternoon, the court found for the defendant. The plaintiff filed a motion for rehearing.

A motion for a new trial was filed by the defendant in the case of Charles D. Wagner against Frank Ware for damages.

Elmer W. Barrock, city collector, filed in court today suits for back taxes against William S. Ulmer, W. L. Abshire, T. B. Maulding and James Huffine.

"IRON HAND" TO GO

MERIT SYSTEM WILL REPLACE OLD METHODS AT PENITENTIARY

BRUTALITY UNDER BAN

Under New Order Which Starts November 1, Convicts to Get a per Cent of Their Earnings.

Special to The Democrat-Forum.

Jefferson City, Oct. 19.—No longer will the iron hand rule Missouri convicts. Brutal punishment has just been abolished at the penitentiary.

The old punishment rings at the state penitentiary—the last relic of the old "knock-'em-down-and-drag-'em-out" regime have been abolished by the state Prison Board."

Working on the theory of many famous criminologists that crime is a disease and should be treated accordingly the prison management has decided to abolish brutality.

A great deal has been written and said about the old rings and finally public sentiment has won a long fight. The whipping post held out a long time and then gave way to rings. This method of punishment consisted of standing a convict against a stone wall and strapping his hands above his head.

He was permitted to stand on his feet and twist his body a little.

On November 1 the merit system will be introduced at the penitentiary. Every convict will be placed in Class C for ninety days. If his conduct is good he will be advanced to Class B and after ninety days of satisfactory conduct to Class A. All convicts in Class A will be treated as trusties. Under the plan convicts will be paid a per cent of all their earnings.

Class A men will receive 5 per cent, Class B 4 per cent and Class C 3 per cent.

IOWAIAN BUYS BOVARD FARM

Eighty-Four Acre Tract Near Maryville Disposed of to Roy L. Dodge, of Elliott, Ia.

The Bovard farm of 84½ acres located one mile northwest of Maryville was sold yesterday to Roy L. Dodge, of Elliott, Ia., who will take possession March 1. The consideration was not given for publication but we understand it was $232.50 an acre. The deal was made through Holmes & Wolfert.

Loan to 2 Billions Now.

Washington, Oct. 19.—The treasury department announced today the reports from all of the federal reserve banks indicate the liberty loan subscriptions will reach two billions by Saturday night.

WHAT IS ASKED OF US

BRUCE KENNEDY TO EGPLAIN THE FOOD CONSERVATION PLAN.

COURT ROOM TOMORROW

Representative of Missouri Defense Council Will Discuss All Phases of the Movement.

Eating one wheatless meal a day.

Eating beef, mutton or pork not more than once a day.

Economizing in the use of butter.

Cutting out the daily allowance of sugar in tea or coffee and in other ways.

Eating more vegetables, fruit and fish.

Urging in home and restaurant the necessity of economy.

Six things that are being called to the attention of the American people in the food conservation campaign.

Discussion by an expert representative of the Hoover Food Administration, upon all phases of the movement for conservation and use of foods, will be the program of a meeting for the public at 8 o'clock in the circuit court room tomorrow night. Bruce Kennedy directly representing F. B. Mumford chairman of the Missouri Council of Defense and Food Administrator for Missouri, will be the speaker of the day. It is expected that there will be a large attendance with representation from every community and vicinity in the county.

A new condition confronts the business men engaged in the production or distribution of foods as it does every person who lives in this country during the present war times. By act of Congress all persons in the United States are affected by rulings in regard to business, which must be regulated from time to time in such manner as may be designated by President Wilson and Mr. Hoover, who acts under his authority.

Every possible phase of the situation will be reviewed by Mr. Kennedy. An exposition of the things which are being demanded and those which will no doubt be required of the citizens of Maryville and Nodaway county will be given.

President Ira Richardson, Superintendent J. M. McDonald and E. M. Claypool as secretary of the Nodaway County Council of Defense are cooperating in preparations for the meeting. Everyone is urged to attend this important conference upon matters of vital interest connected with the food supply of the country, the army and our Allies.

Mr. Hoover is endeavoring to reduce our consumption of food supplies so that we may ship to the Allies the food that will keep men, women and children from starving. He is only asking for concerted action in carrying out a plan which can only bring results through its adoption almost without exception by every household, restaurant, hostelry and boarding house in the United States.

CLASSES HAD JOINT MEETING

Enjoyable Gathering of Men and Women at First Baptist Church Last Night—Chicken Supper.

There was a large attendance of both members and visitors at the meeting last night at the Baptist church of the Men's Bible class and the Amoma class of women, the evening being spent in listening to addresses and partaking of a fine chicken supper.

Among the speakers, H. W. Hull talked of the importance of women's work and what had been accomplished by the women of the church. Mayor A. S. Robey spoke on the influence the men's class had exerted on the social and civic life of the city, submitting figures in recent elections when the liquor law was the issue. Miss Erma Green gave Riley's poem, "Tad's Story of the Goose," in a most pleasing manner. Rev. T. A. Wiles followed with a talk on the value of organization which was interesting and instructive. Mrs. Arch Carter gave a vocal selection which was enjoyed, after which a social hour and games preceded the splendid supper. It was voted one of the best and most interesting gatherings the classes have ever held, one hundred and twenty-five persons being present. Dr. K. R. Malotte had charge of the program.

Skating Macks at Roller Rink tonight.

HUNT ON FOR ENEMY ALIENS

Government Lays Aside Restraint and Will Put A Stop to Insidious Efforts of Enemies.

Special to The Democrat-Forum.

Washington, Oct. 19.—All restraint is to be cast aside by the government in its plan to put a stop to the insidious efforts of enemies designed to bring failure of the program to sow dissatisfaction between people. Following notification of Secretary of Treasury McAdoo, all evidence of interference will be sent to Washington. Such information began to come in by telegraph. It is understood some arrests have already been made. It is definitely known men or officials of the government itself are under suspicion and it is being believed they have given the press ostensibly on authority such statements concerning large business interest calculated to cause antagonism between these and the government.

New York, Oct. 19.—Federal dragnet for alien enemies in New York continued its operations today. To date nearly a hundred have been taken to Ellis Island. The government is considering revoking some ten thousand permits issued to th ealiens which permit them to enter the barred zones.

THE SCREEN IN WAR'S AID

Albert Kuchs, Manager of the Empire Theatre, Talks About His Business and the War.

Albert Kuchs, manager of the Empire Theatre, was putting up a lobby display of photographs and "paper" at the theatre this morning.

"Speaking of the moving picture business," said Mr. Kuchs, "did you know that the motion picture industry ranks fifth in line with all the big industries of this country?"

"That both branches of the business, the manufacturer and the exhibitors, voted to give whatever aid possible (free of charge) and give over the use of every screen in the land to the disposal of the government for war loan, food conservation, Red Cross and other government propaganda work?

"That beginning on the first day of November 10 per cent of the entire gross receipts (easily fifty per cent of the net profits), will be collected as an additional tax to help win the war. I have not heard of a single theatre in the United States that refused to co-operate in this wok, but rather we are justly proud to be a party to a business where we can 'do our bit' in such a way as to gain the official recognition of our President as the following words of President Woodrow Wilson will show:

"'It is in my mind not only to bring the motion picture industry into fullest and most effective contact with the nation's but to give some measure of official recognition to an increasingly important factor in the development of our national life. The film has come to rank as the very high medium for the dissemination of public intelligence, and since it speaks a universal language it lends itself importantly to the presentation of America's plans and purposes.'"

RECITAL BY MR. BLAAHA.

Conservatory Violinist Entertained Normal Students This Morning.

Wayne Anton Blaaha of the Conservatory of Music gave a violin recital at the State Normal school this morning. His accompanist was Miss Eleanor Smith. The following program was given:

Cavatina	Raff
Serenade	Pierne
Tambourine	Gossec
Secondo-Mazurka	Wieniakski
Wiegenlied	Schubert
Mazurka de Concert	Musin

School Children Strike.

New York, Oct. 19.—The strike of the school pupils against the Gary system have spread from Broadway to Brooklyn today. More than a thousand ignored their classes and paraded and attacked the school buildings. The police reserves were called out.

An ear of corn bearing 1,420 grains was exhibited by Squire Goalder to the Richmond Missourian.

HUNS TAKE REVAL

RUSSIAN FORTRESS FALLS IN A BIG GERMAN DRIVE.

WAR FLEET BOTTLED UP

Reported That the Russian Provincial Government Orders Removal of Capitol From Petrograd.

Special to The Democrat-Forum.

London, Oct. 19.—Germany's land and sea drive on Petrograd is approaching the final phase. The Russian fortress at Reval on the entrance to the Gulf of Finland is being evacuated. Petrograd advices telling of the evacuation of Reval was the outstanding feature of the war news. Germany's powerful Baltic fleet has bottled up the Russian warships and in the meantime are bombarding the Russian land works with great violence off of Oezel. Great havoc was done to an important German military airdome at Varssenaere near Brugges by the British airmen last night according to the admiralty.

Copenhagen, Oct. 19.—A big naval battle for control of the Baltic is imminent. A large section of the Russian fleet which took refuge at Kassaroay after Russian battleship Slava had been sunk is preparing to make a dash past the German warships guarding the western entrance according to a Petrograd dispatch today dated Thursday night.

Washington, Oct. 19.—In the absence of official dispatches the Russian Embassy withheld comment this afternoon on the report of the Russian provisional government having ordered the removal of the capitol. The move is not unexpected, however.

TOWN GROWS UP OVER NIGHT

Big Rush to Virgin Oil Field in Harlan and Letcher Counties in Kentucky.

Knoxville, Tenn., Oct. 19. — Like towns built in the West during the wild gold fever rush of the days of '49, a model mining town has literally grown up over night in the center of the virgin field in Harlan and Letcher counties, Kentucky.

Sixteen hundred houses will be completed within fifteen months, say officials of the United States Coal and Coke Company, subsidary of the United States Steel Corporation, which is behind the project.

At present 160 eight-room houses are under construction. After these are completed the building of the others will begin. Forty-eight million feet of lumber altogether will be used.

A total of 250,000,000 feet of lumber was bought this week at a cost of approximately $150,000.

A temporary commissary building 240 feet long by 60 wide, is also now being erected. The permanent commissary will be constructed after the construction of the 1,600 houses is completed. It will be of brick and will cost between $100,000 and $125,000.

Calls Mexico To Allies Aid.

Special to The Democrat-Forum.

Mexico City, Oct. 19.—A call to Mexico to join the Allies was sounded in the Chamber of Deputies today by Deputy Manuel Garcia. In a speech he declared the Allies are fighting for democracy and against supreme autocracy. In view of what has happened in Mexico the last six years Mexico should take its stand on the side of the Entente Allies.

A Candidate For Firing Squad.

LaPorte, Ind., Oct. 19.—Ten minutes after he was alleged to have told liberty loan solicitors "to hell with liberty loan and the United States," William Kleebank was in the county jail. He will be arraigned tomorrow in the federal court.

WOMAN SICK TWO YEARS

Could Do No Work. Now Strong as a Man.

Chicago, Ill.—"For about two years I suffered from a female trouble so I was unable to walk or do any of my own work. I read about Lydia E. Pinkham's Vegetable Compound in the newspapers and determined to try it. It brought almost immediate relief. My weakness has entirely disappeared and I never had better health. I weigh 165 pounds and am as strong as a man. I think money is well spent which purchases Lydia E. Pinkham's Vegetable Compound."—Mrs. Jos. O'Bryan, 1755 Newport Ave., Chicago, Ill.

The success of Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, is unparalleled. It may be used with perfect confidence by women who suffer from displacements, inflammation, ulceration, irregularities, periodic pains, backache, bearing-down feeling, flatulency, indigestion, dizziness, and nervous prostration. Lydia E. Pinkham's Vegetable Compound is the standard remedy for female ills.

Are You Aware

In the course of one year the balance of your watch makes 157,680,000 revolutions?

Think It Over

In time the oil gums, produces friction and wears the delicate bearings, destroys their high finish and perfect fit, thus ruining an accurate timepiece.

An ordinary machine is oiled daily. Your watch should be oiled once a year.

VIOLIN CLASS.

Under Direction of Mr. Wayne Anton Blaaha of Conservatory Faculty.

This class is offered for the purpose of giving young students who have neither time nor money for private lessons, the benefit of good violin instruction. The importance of a right start cannot be over-emphasized. Tone production, correct bowing, tuning and care of the violin, studies and attractive pieces will be taught. After reaching a certain degree of proficiency, the student may become a member of the Conservatory Orchestra. Many of our leading schools are offering violin class work in their course of study, and find results very satisfactory.

These classes are being formed at the Normal and High School and will hold their sessions at these places. Members are from the Normal, High School and grades.

Interest was aroused in a new method of transporting hogs to market the other day when the editor of the Liberty Advance saw a local stockman guiding a contrary porker down a busy street. "Ed James was driving twenty 190-pounders down Kansas street, says the item, when one became confused at a traffic sign and refused to pass. The combined efforts of Mr. James and the bystanders were fruitless until James made a football tackle, got the hog by both hind feet and ran him past the corner like a wheelbarrow. It was a new way to drive hogs, but it did the work."

For the alleged declaration that a certain promissory note was forgery and that its owner was a forger, Y. D. Cravens has been made defendant in a suit by Ben F. Kittrell in the Clay county circuit court for $30,000 damages for libel. The publication of the alleged damaging statements, says the Liberty Advance, consisted of an oral declaration and a written statement by letter.

An article in the Oil and Gas News explains the Blue Sky Law of Missouri in its relation to oil and gas promoters and fake stock peddlers. It was written by Clay Rogers, a former citizen of Liberty, now practicing law in Kansas City and is important, says the Liberty Advance, at a time when so many fake propositions are being put on the market.

A motor car, though carefully driven, according to the King City Democrat, brought sorrow to a King City home when Marjorie Turner, nine years old, ran in front of the car when hurrying back to school after dinner. Before the driver could change his course the child was struck and killed.

A CLEAR COMPLEXION

Ruddy Cheeks—Sparkling Eyes —Most Women Can Have

Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets. You will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system.

If you have a pale face, sallow look, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.

Thousands of women as well as men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—now and then just to keep in the pink of condition. 10c and 25c per box. All druggists.

HOW TO CORRECT FLAT FEET

Physicians Give Some Simple Rules to Follow That Will Remedy That Ailment.

Owing to the number of otherwise splendid applicants rejected from the United States army and navy for flat feet, examining physicians have issued the following simple exercises and pointers, which if followed, they say, will remedy that ailment:

During exercise at all times, turn the toes in.

Walk with toe of each foot pointing to the front; in straight line, if possible.

Stand with toes turned in; raise body on toes, slowly, as high as possible. Rest a second, then with the weight of body borne on toes, lower slowly down to floor, and repeat.

When in the house in stocking feet walk on toes; heels not touching the floor, and toes turned in.

When sitting, cross the legs, the foot always resting on the outer side.

The wearing of broad toe shoes with the metal "arch supporter" absolutely abandoned, also is advocated.

In Uncle Sam's Service.

Two more Skidmore boys have gone and enlisted in the navy.

This time it is Douglas Haynes and Paul Karr. They left last Thursday evening without letting their folks know where they were going and proceeded to a recruiting station in Chicago, where they affixed their signatures to papers that placed them in the radio division of Uncle Sam's sea service.

Upon learning where the boys were gone Dr. Pierpoint and J. D. Montgomery of Maryville went to Chicago in the hope of deterring the boys from their purpose, but were too late; in fact they did not succeed in seeing the boys, but were furnished ample proof of their enlistment.

On Wednesday evening Pierre Karr went to St. Joseph to enter the navy. He, however, had the consent of his mother.—Skidmore News.

That Skim Milk — Save It.

Save every drop of skim milk. It is a valuable food. Use it in your kitchen and on your table.

It is valuable as a beverage, in cookery, as cottage cheese — too valuable to waste, whether it comes through your own separator or the separator at the creamery — too valuable to be thrown away, or fed to farm animals, if it can be used for human food.

At creameries where whole milk is handled, skim milk is often thrown down the drains. Creameries ought to make their skim milk into cottage cheese.

Farmers ought to make cottage cheese at home. Skim milk so used will supplement our meat supply, for cottage cheese is one of the best substitutes for meat. Use it in your cooking.

Make and eat cottage cheese and encourage others to use it.

Make puddings and soups and bread with skim milk.

We Want to Emphasize the Quality of These

Beautiful Crepe Blouses

Specially Priced at $3.98 and $5.00

Dainty Distinctive are the Charming Styles

Exclusive Models that we control for this city

THIS is the year when Quality is a tremendously important factor—for there is a tendency on the part of some makers because of the exceedingly high prices of good silks. to use inferior fabrics—and to skimp on the yardage.

These Blouses are made of beautiful and dependable silks—they are splendidly made—they are cut on full generous lines and warranted to be perfect fitting.

This sale is simply the result of our intimate co-operation with the maker which keeps down the costs to the lowest possible level—without ever sacrificing quality.

It is such unusual values as these that are every bringing wider popularity to our Blouse Department—and that makes possible such very substantial savings on the Blouse purchases made here.

Breaks Arm in Football Game.

The young son of George Miller, county highway engineer is nursing a broken arm received in a football scrimmage game yesterday. The break is said to be a bad one.

After paying the fees of the city firemen for a recent run to a fire outside the town limits the Liberty city council made the rule they would not again allow claims of that kind—that in making runs to outside property not contributing in taxes to the support of the fire department the firemen must look to the property owners served for their pay.

See Mrs. Mack in the Dive of Death tonight at the Roller Rink.

EAT SKINNER'S THE BEST MACARONI

MORE EGGS OR MONEY BACK

The perfect balance of white and yolk elements in Purina Chicken Chowder when fed with Purina Scratch Feed makes possible an iron-bound guarantee of *more eggs or money back*. Grain feeds make too many yolks, which cannot be laid, so are absorbed by the hen and form fat which cuts down egg production. Wheat, corn, oats, barley, and kafir contain (above bodily maintenance) elements for an average of 224 yolks and *only 154 whites*. Whereas the perfect balance:

	Yolks	Whites
Purina Chicken Chowder	182.05	282.55
Purina Scratch Feed	247.49	142.11
Combined Ration	429.54	424.66

Note the perfect balance and the large quantity of white and yolk elements supplied.

Use less feed

99 out of 100 hens eat too much grain which cuts down egg production. Feed the perfect balance—100 lbs. of Purina Scratch Feed to each 100 lbs. of Purina Chicken Chowder and you will actually *use less feed* and get more eggs. If hens do not lay more eggs when fed Purina Chicken Chowder as directed with Purina Scratch Feed than when fed any other ration, the money paid for Purina Chicken Chowder will be refunded. You take no risk.

PURINA SCRATCH FEED MAKES HENS LAY

Purina Feeds come in checkerboard bags only.

How Long Must I Suffer From the Pangs of Rheumatism?

Is there no real relief in sight?

Doubtless like other sufferers, you have often asked yourself this question, which continues to remain unanswered.

Science has proven that your Rheumatism is caused by a germ in your blood, and the only way to reach it is by a remedy which eliminates and removes these little pain demons from your blood. This explains why liniments and lotions can do no permanent good, for they cannot possibly reach these germs which infest your blood by the millions.

S. S. S. has been successfully used for Rheumatism for more than fifty years. Try it to-day, and you will find yourself at last on the right track to get rid of your Rheumatism. You can get valuable advice about the treatment of your individual case by writing to the Chief Medical Adviser, Swift Specific Co., Dept. D Atlanta, Ga.

To Meet Tomorrow.

The King's Herald Band of the First M. E. Church will meet tomorrow afternoon in the league room of the church instead of with Miss Thelma Tracy as previously announced.

Mission Circle Will Meet.

The Young Ladies' Mission circle of the Christian church meets tomorrow afternoon at 2:30 o'clock at the home of Mrs. C. A. Bone with Mrs. T. A. Wiles and Miss Jessie Bent, assistant hostesses.

Annual Bazaar.

The ladies of the Methodist Episcopal church of Skidmore will hold their annual bazaar on Wednesday, October 31. The young people will be in charge of the entertainment in the evening.

Mrs. Edwards, Hostess.

Mrs. J. Edwards entertained the W. N. C. club at her home northeast of Burlington Junction Wednesday. A short but very interesting program was given, and during the social hour refreshments were served by the hostess. Next meeting will be held at the home of Mrs. Fred Griffey Wednesday, October 24.

Scouts Entertain Girls.

About fifteen members of Troop I, Boy Scouts, entertained a number of the girls of Miss Addie Hunter's class last night in the parlors of the First Christian church. Music, games and marches were among the forms of diversion. The Scouts served doughnuts, pumpkin pies and cider as the finale of a most enjoyable evening.

A Club Discusses Birds.

The Mowery W. W. club met with Mrs. Hugh McClurg Wednesday afternoon, responding to roll call with "A Favorite Bird." The subject for the meeting was "Migration of Birds." Mrs. Stewart Robinson, as leader, gave an interesting talk and each member a reading on it.

After business hours a social time was had, refreshments being served by the hostess, assisted by her daughter, Miss Ethel McClurg. Visitors present were: Mrs. Fannie Robinson of Nevada; Mrs. Leslie Taylor and daughter of Maitland, Misses Ethel McClurg, Violet Robinson, Marguerite Rickard, Blanche Adele Hinton, Eldina Runnels. Members present were: Mesdames Shell Garten, Parl Runnels, Stewart Robinson, Marion Rickard, George Byers, William Noakes, Walter Runnels, Albert Hinton, D. H. McGinnis, Frank Hinton, Hugh McClurg, Mrs. John Stephens, F. Hinton.

Mrs. Corken Entertains.

Mrs. E. E. Corken was hostess to the C. C. club yesterday at the Mineral Springs Sanitarium. The meeting was devoted to Red Cross work and the ladies are making excellent progress in this good cause. There were sixteen members present and two visitors. The visitors were Mrs. Parslow of Shenandoah, Iowa, and Miss Mabel Corken. The hostess was assisted in serving refreshments by Mrs. William Marlin. The next meeting will be held November 5, with Mrs. John Calloway.—Burlington Junction Post.

Kidney Disorder

(By Dr. L. C. Babcock.)

Simple methods are usually the most effective ones when treating any disorder of the human system. The mere drinking a cup of hot water each morning, plenty of pure water all day, and a little Anuric before every meal has been found the most effective means of overcoming kidney trouble. Death would occur if the kidneys did not work day and night in separating poisons and uric acid from the blood.

The danger signals are backache, depressions, aches, pains, heaviness, drowsiness, irritability, headaches, chilliness, rheumatic twinges, swollen joints, gout.

Since it is such a simple matter to step into your favorite drug store and obtain Anuric, as every druggist dispenses it, anyone who earnestly desires to regain health and new life will waste no time in beginning this treatment.

A ST. JOE WOMAN

St. Joseph, Mo.—"I found Favorite Prescription a most wonderful medicine. When I was quite a young girl I became all rundown in health, was nervous and weak, suffered with pains in my back and side, my kidneys were badly affected. I took different medicines with no relief. My mother heard of Dr. Pierce's Favorite Prescription and she gave it to me and it was the right medicine, for it soon restored my health and strength. If there was more Favorite Prescription used there would be fewer suffering women."—Mrs. Anna Smith, 1119 S. Eighth Street.

Oldsmobile

The comfort, power, body design and coach-work of this Oldsmobile meet every desire of the experienced motorist—at a price several hundred dollars below any comparable value in a motor car.

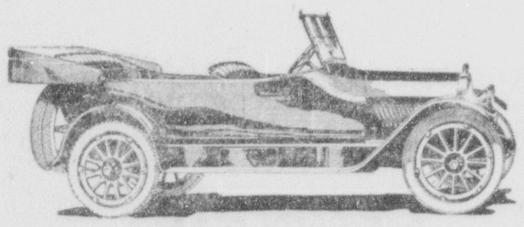
Its comfort is a revelation; the underslung long rear springs combined with the deep, double-tiered springs of the upholstery, give riding unexpected comfort, and ease. Exceptional roominess and carrying capacity of the body come from the economy of space in the use of the compact, V-style motor.

The 8-cylinder motor delivers one horsepower to every 51 pounds of car weight—a ratio so high as to assure more than ample reserve power for every emergency of the road.

Remarkable flexibility, fascinating smoothness of over-lapping power impulses and freedom from vibration—all characteristic of 8-cylinder construction—are perfected to the highest degree. Its quick "get-away" and spirited "pick-up" at any speed, together with elimination of frequent gear shifting, gives Oldsmobile driving a real zest that is devoid of drive strain. Yet the gasoline consumption is unusually low—even as compared with less powerful cars.

Oldsmobile country-wide system of service stations and the generous full year guarantee are added insurance of complete owner satisfaction.

And the price of this car is only $1467, f. o. b. Lansing, Mich.



Oldsmobile Satisfied Customers.

After all, the satisfied customers are the ones which count. Look over this partial list of persons to whom we have sold Oldsmobile cars. Doubtless you will find some in your immediate neighborhood. Just ask them. They'll tell you the merits of the Oldsmobile.

"HER GOOD NAME," AT EMPIRE.

Jean Sothern Will Be Seen in An Interesting Film Drama Tonight.

Throughout the five reels of "Her Good Name," the photoplay story of sunshine and heart-throbs, Jean Sothern, who plays the leading part in it, gives one of the most delightful and impressive characterizations ever seen on the screen. As the innocent little country girl in the early part of the picture, she has all the charm and freshness of an early spring morning.

Later in the development of the story, she is required to portray the part of a girl whose father has committed murder to avenge the wrong he thinks a man has done her. In a court room scene, during which she falsely swears away her honor to save her father's life, Miss Sothern rises to supreme dramatic heights, and displays histrionic ability of the highest order.

The surprising turn of events that vindicates the girl in the end, is a most unexpected development, and makes the picture one of the most interesting productions of some time.

To Move Here.

D. L. Wray and wife and daughter are preparing to move next week to Maryville, where Mr. Wray will take up the work of traveling salesman for the National Biscuit company. He has lived in Savannah four years and has made many friends here, coming from Maryville where he grew up.—Savannah Reporter.

Holmes Jewelry Company
West Side of Square.

HOUSEKEEPERS
Must be Watchful

For great efforts are being made in this vicinity to sell baking powders of inferior class, made from alum and lime phosphate, both undesirable to those who require high-grade cream of tartar baking powder to make pure and wholesome food.

The official Government tests have shown Royal Baking Powder to be an absolutely pure and healthful grape cream of tartar baking powder, and care should be taken to prevent the substitution of any other brand in its place.

Royal Baking Powder costs only a fair price per pound, and is cheaper and better at its price than any other baking powder in the world.

W. R. C. Meeting.

The regular meeting of the W. R. C. will be held tomorrow afternoon at 2:30 o'clock in the G. A. R. hall. A full attendance is desired.

See Mrs. Mack in the Dive of Death tonight at the Roller Rink.

Four ears of yellow corn weighing eight pounds and of which three were 15 inches long, were brought to Craig last week by M. C. Wilson, says the Leader. L. L. Teare, for 20 years a grain buyer in Holt county, declares these ears to be the finest he has ever seen.

C. E. Hitz has shipped out 22 carloads of the finest Jonathan apples you ever saw, during the past two weeks. These apples sold for $4.50 and $5.00 a barrel.—Fortescue Items in Holt County Sentinel.
